100+ Women Who Care Donates Over \$6,000 to Make-A-Wish Arizona

Make-A-Wish Arizona is simple in its mission: We grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy. Support through direct donations, gifts of goods and/or services, and volunteerism helps the Arizona chapter reach children with conditions that would make them eligible for a wish.

Make-A-Wish Arizona is proud to be the founding chapter of the now-international wish-granting organization. Since that very first wish in 1980, when 7-year-old Phoenician Chris Greicius wished to be a police officer, Make-A-Wish Arizona has transformed the lives of almost 6,000 Arizona children dealing with life-threatening medical conditions.

During the COVID-19 pandemic, Make-A-Wish Arizona implemented changes rapidly to continue granting wishes. Its volunteers, staff, wish-families, and wish-kids have adapted to a new way of wish-granting. Now, the charity focuses on creating local and safe wishes for children who continue to need hope during this trying time. Since March 2020, they have granted wishes to over 255 children.

In May, 100+ Women Who Care Valley of the Sun presented Make-A-Wish Arizona with a donation of \$6,075 on behalf of their East Valley members. "This donation will put us that much closer to our goal of granting more wishes this year than we did last year," said Elizabeth Reich, President and CEO of Make-A-Wish Arizona. "With more than 500 wish kids currently planning their wishes with us, this gift shows that, together, we can create life-changing wishes for children with critical illnesses in Arizona."

100+ Women Who Care Valley of the Sun is a group of like-minded, passionate women who want to connect to one another and to their communities. The ladies are leveraging their resources so their small quarterly gifts of \$100 per member add up to a significant donation to a local charity.

Since the chapter's inception in 2015, close to \$750,000 has been given to local charities. This group of women has learned that giving back is better together.
